

## TWS S Continuous LED Module

- Super bright multi chip LED technology
- 1 function: continuous
- Available in Red, Green, Amber, Blue & White
- Grey or Black body colour
- 24VAC/DC & 240VAC versions
- IP66 ingress protection
- Continuously rated
- -30 to +50°C Operating temperature
- High impact & self extinguishing PC body
- UL type 4X, PCT & CE Approved

### 24VAC/DC

| Grey Part Number |   | Black Part Number |   | Description                                   |
|------------------|---|-------------------|---|-----------------------------------------------|
| 36471            | ● | 36681             | ● | TWS Continuous LED Module 24VAC/DC IP66 Blue  |
| 36472            | ● | 36682             | ● | TWS Continuous LED Module 24VAC/DC IP66 Amber |
| 36473            | ● | 36684             | ● | TWS Continuous LED Module 24VAC/DC IP66 Red   |
| 36474            | ● | 36685             | ● | TWS Continuous LED Module 24VAC/DC IP66 Green |
| 36476            | ○ | 36686             | ○ | TWS Continuous LED Module 24VAC/DC IP66 White |

### 240VAC

| Grey Part Number |   | Black Part Number |   | Description                                 |
|------------------|---|-------------------|---|---------------------------------------------|
| 36491            | ● | 36701             | ● | TWS Continuous LED Module 240VAC IP66 Blue  |
| 36492            | ● | 36702             | ● | TWS Continuous LED Module 240VAC IP66 Amber |
| 36493            | ● | 36703             | ● | TWS Continuous LED Module 240VAC IP66 Red   |
| 36494            | ● | 36704             | ● | TWS Continuous LED Module 240VAC IP66 Green |
| 36496            | ○ | 36706             | ○ | TWS Continuous LED Module 240VAC IP66 White |

Other voltages available

## TWS RAG Multi function Multi colour LED Module

- Super bright multi chip LED technology
- 2 functions: continuous & flashing
- Multi colour Red, Amber, Green - Clear lens
- Grey or Black body colour
- 24VAC/DC
- IP66 ingress protection
- Continuously rated
- -30 to +50°C Operating temperature
- High impact & self extinguishing PC body
- UL type 4X, PCT & CE Approved

### 24VAC/DC

| Grey Part Number |     | Black Part Number |     | Description                                              |
