

TECHNICAL DATASHEET

| | | | |
|---------------------------------|------------------|------------------------------|-----------------------|
| Ambient Temperature | -25 to +55°C | Contact Resistance | <25M Ohms |
| Pollution Grade | III | Class 1 conforming to | IEC 61140 |
| Rated Insulation Voltage | 600VAC | Mechanical Life | 100 x 10 ⁴ |
| Current Rating | 10 Amp resistive | Electrical Life | 500 x 10 ⁴ |
| Insulation Resistance | >50M Ohms | | |

i Series 22.5mm Emergency Stop Push Buttons

- 22.5 mm panel mount
- 10 Amp rated contact
- Metal bezel & metal coupling
- Normally Closed contacts
- Colour coded contacts
- Supplied complete with contact & coupling
- Quick fit, easy to install
- Manufactured to IEC 60947-5-1
- CE & UKCA Approved

| Part Number | | Description |
|--------------|---|---|
| IESTR-R-01 | ● | Red Emergency Stop Twist to Release Push Button with 1 NC Contact 40mm Head |
| IESTR60-R-01 | ● | Red Emergency Stop Twist to Release Push Button with 1 NC Contact 60mm Head |
| IESKR-R-01 | ● | Red Emergency Stop Key Release Push Button with 1 Normally Closed Contact |
| IESPP-R-01 | ● | Red Emergency Push, Pull to Release with 1 Normally Closed Contact |
| IESSR-R-01 | ● | Red Mushroom Headed, Momentary, Push Button with 1 Normally Closed Contact |

i Series Push Button Accessories

- Contact Blocks
- Couplings
- Spare Keys
- Ba9s LED Bulbs
- Legend Plates
- Empty Enclosures

| Part Number | Description |
