

SP/SC Series 22.5mm Piezo Alarm & Combined Piezo Alarm & LED Indicator

- IP54 22.5mm panel mount
- Available with or without LED indication
- LED Colours Red, Green, Yellow, Blue, White
- Continuous or Pulsating Alarm
- LED Indicator & Pulsating Alarm
- 12V, 24V AC/DC, 110V & 230V AC
- 70db @ 10cm
- Low power consumption & Vibration resistant
- Manufactured to IEC 60947-5-1
- CE & UKCA Approved

PL22-VM Series 22.5mm Voltmeter Pilot Lamps

- IP65 22.5mm panel mount
- 8 Segment LED Display
- Colours Red, Green, Yellow, Blue, White
- High visibility in all colours
- Long life LED Technology
- Available for AC or DC circuits
- AC version voltage range 50-380VAC
- DC version voltage range 10-200VDC
- Low power consumption & Vibration resistant
- Manufactured to IEC 60947-5-1
- CE & UKCA Approved

AC Part Number	DC Part Number	Description
PL22-VMAC-*	PL22-VMDC-*	22.5mm IP65 LED Voltmeter Pilot Lamp

* = Add to select colour. B = Blue, G = Green, R = RED, W = White, Y = Yellow. ie PL22-VMAC-R is a 50-380VAC RED voltmeter pilot lamp
