

SPT-203

- 7-inch TFT display with touch-screen
- Testing the MOV, GDT and TVS components
- Automatically test and judge CITEL pluggable Surge Protectors
- Auto test mode and manual test mode
- Automatically save test data
- Database management
- Portable and convenient

Electrical Characteristics		
Voltage		230 Vac
Power		< 16 W
Voltage measurement error		+/- 2 % (U < 200 V) +/- 1 % (U > 200 V)
Leakage current measurement error		+/- 5 %
MOV measurement : 1mA voltage range		1 to 2000 V
MOV measurement : Leakage current range		0 μ A to 120 μ A
GDT measurement : DC spark voltage range		1 to 2000 V
TVS measurement : Voltage range		0 to 500 V
Part Number	790201
